

4000mAh 5000mAh 21700 Lithium Ion Battery Cells Rechargeable 3.7V For E Bike

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Model Number: 21700 battery
- Minimum Order Quantity: 200
- Price: US(1.8~5)
- Payment Terms: T/T, Western Union

Product Specification

- Weight: 68g
- Voltage: 3.7V
- Size: 21mm X 70mm
- Name: 21700 Battery
- Top: Flat Top
- Temperature: Charge: 0 -45 , Discharge: -20 -60
- Protection: Overcharge, Overdischarge, Short Circuit, Overcurrent
- Capacity: 5000mAh
- Highlight: 4000mAh Lithium Ion Battery Cell,
5000mAh Lithium Ion Battery Cell,
21700 Lithium Ion Cells 3.7V

Product Description

Enook Authentic 4000mAh Rechargeable 21700 Lithium Ion Batteries Cell 3.7V 5000mAh Battery E-Bike Scooter Power Tools

Product Description:

The 21700 Battery is a rechargeable Li-ion battery with a capacity of 5000mAh and a safe discharge current of 40A. It is designed in a size of 21mm X 70mm and offers overcharge, overdischarge, short circuit and overcurrent protection. It is a reliable and powerful 3.7V battery with a capacity of 5000mAh, making it perfect for a wide range of applications. With its safety features and long lasting power, the 21700 Battery is an ideal choice for all your power needs.

Applications:

Introducing ENOOK 21700 lithium ion batteries, a versatile and reliable power source for a wide variety of applications. The 21700 battery, with its flat top design, is a high-performance 3.7V lithium ion battery with superior performance and long cycle life. It offers superior protection against overcharge, overdischarge, short circuit and overcurrent. This 21700 rechargeable battery is the perfect power source for a variety of applications such as robotics, cameras, drones, vehicles, and more. Get ENOOK 21700 battery protection and enjoy the convenience and safety of a reliable power source.

Customization:

ENOOK 21700 Battery - Customized Service

ENOOK 21700 lithium ion batteries are the perfect choice for powering any device. With a capacity of 5000mAh and 50A rechargeable 3.7V battery, ENOOK 21700 lithium ion batteries provide enhanced protection against overcharge, overdischarge, short circuit, overcurrent and provide superior performance and reliability.

Our 21700 batteries come with a flat top, measuring 21mm X 70mm, and a weight of only 68g. ENOOK 21700 lithium ion batteries are the perfect choice for powering any device.

For more information about our ENOOK 21700 lithium ion batteries, please contact us today.

Support and Services:

Technical Support and Service for 21700 Battery:

24/7 online customer service.

Provide battery technical support.

Provide after-sales service including product warranty, repair and maintenance.

Provide solutions to any problems related to the use of the product.

Regular product updates.

Company Introduction

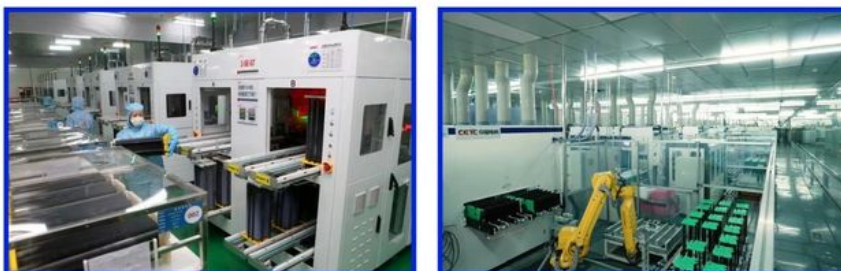

ShenZhen Enook Technology Co., Ltd company is professional manufacturer and supplier of lithium energy solutions, E-bike battery pack, which focus on manufacturing and designing of lithium cells and battery packs

Quality first is our principle, Satisfying all our customers is our tenet, win-win business is our aim. Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss each detailed requirements from customer and ensure full customer satisfaction.

In addition, we have obtained certificates. MSDS UN38.3 MSDS, ROHS, UL, etc. All our products keep selling well not only around China, but also in USA, Philippines, Germany, England, Australia, Russia, France and other European and Asia countries
