

DC 5V 1A Lithium Ion Battery Charger Compatible With 26650 20700 21700 18650 Battery

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Model Number: X1 Plus
- Minimum Order Quantity: 200
- Price: US(1.8~4)
- Payment Terms: T/T, Western Union

Product Specification

- Weight: 70g
- Indication: LED
- Certificate: CE ROHS
- Connector: DC Plug
- Material: Plastic
- Color: Black
- Highlight: **Lithium Ion Battery Charger 21700 ,
Lithium Ion Battery Charger 20700**

ENOOK X1 Plus Smart Multi-Battery Charger Your Power, We Care

Overcharge protection

Put the battery into the channel, if the battery voltage <4.18V, the charger will charge to the battery.

When the battery with full voltage, the overcharge function starts, and stops charging. If the battery is not put out of the charger with full voltage, the battery will lose some power. When the voltage is less than 4.0V, the charger will start charging the battery.

Applications:

Enook X2 Plus Battery Charger is specifically designed to offer a reliable and convenient charging solution for your electronic device. It is lightweight and compact, with a total weight of 135g, making it easy to carry around. The charger is equipped with a DC Plug connector and is certified with CE ROHS, offering an efficient and safe charging experience. The charger has an output of DC4.2V---500mA*2 and an input of DC5V---2A. The body of the charger is made of plastic, which is both sturdy and durable. The Enook X2 Plus Battery Charger is the perfect choice for those who need to charge their device quickly and safely.

Customization:

Brand Name: Enook

Model Number: Enook battery charger

Place of Origin: China

Certificate: CE ROHS

Connector: DC Plug

Application: Lead-acid Battery

Indication: LED

Color: Black

Working Temperature: 0-40°C

Specialization: 18650 battery charger, 18650 battery charger

Support and Services:

Enook Battery Charger Technical Support and Service

Enook offers a full range of technical support and service for our battery chargers. Our knowledgeable technical staff is available to help with installation, troubleshooting, and maintenance.

We provide free phone support and online chat support to help with your technical needs. Our online support also includes detailed documentation, how-to guides, and video tutorials.

If you need assistance with repairs or replacement of your Enook battery charger, our authorized service centers offer fast and reliable service. We also have a wide selection of spare parts and accessories available for purchase.

Company Introduction

Company Introduction

ShenZhen Enook Technology Co., Ltd company is professional manufacturer and supplier of lithium energy solutions, E-bike battery pack, which focus on manufacturing and designing of lithium cells and battery packs

Quality first is our principle, Satisfying all our customers is our tenet, win-win business is our aim. Dedicated to strict quality control and thoughtful customer service, our experienced staff members are always available to discuss each detailed requirements from customer and ensure full customer satisfaction.

In addition, we have obtained certificates. MSDS UN38.3 MSDS, ROHS, UL, etc. All our products keep selling well not only around China, but also in USA, Philippines, Germany, England, Australia, Russia, France and other European and Asia countries.
